

## **Agreement Establishing Collaboration between the Board of Canadian Registered Safety Professionals and the Canadian Registration Board of Occupational Hygienists**

The Board of Canadian Registered Safety Professionals (BCRSP) and the Canadian Registration Board of Occupational Hygienists (CRBOH) recognize the benefits of a collaborative partnership to improve safety and health in workplaces and the development of occupational health and safety practitioners at all levels.

BCRSP and CRBOH hereby form a partnership to use their collaborative efforts and expertise to improve health and safety in workplaces and to encourage individuals working in OHS to pursue the advancement of their career through certification, and lifelong learning.

It is agreed between the BCRSP and CRBOH to work together to:

- Support the recognition and achievement of BCRSP and CRBOH certifications.
- Identify opportunities for shared projects and collaboration to advance the occupational health and safety profession.
- Exchange research data, aggregated organization data, and statistics to promote health and safety.

BCRSP and CRBOH will publicly endorse each others' certifications and promote recognition that the BCRSP and CRBOH certifications are designed to elevate professional standards and distinguish those who meet a formal education requirement and ongoing practical experience that are essential for the effective practice of occupational health and safety, and occupational hygiene, respectively.

The CRSP and CRST and ROH and ROHT are certifications of distinction that are awarded to candidates who meet rigorous and impartial standards.

The BCRSP and CRBOH will continue to explore further recognition of each others' certifications through their respective Continuous Professional Development (CPD) programs.

The BCRSP and the CRBOH will seek opportunities for shared projects and collaboration to advance the occupational health and safety profession.

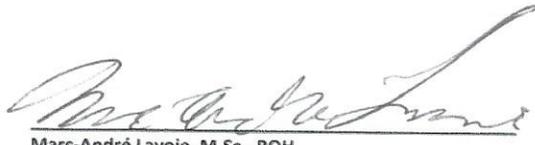

This Agreement is non-exclusive and shall not prohibit BCRSP or CRBOH from entering into agreements with other organizations.

Primary contacts for this agreement will be the current Chairpersons/Presidents of each organization, supported by the Executive Directors of BCRSP and CRBOH (if applicable).

This agreement becomes effective upon signature by representatives of both parties and will remain in effect until one or both parties give 90-days written notice of intent to terminate or modify the agreement.
